Ensuring Successful Outcomes

A SecEd & Headteacher Update conference
28 September 2018
The Gallery, The NEC, Birmingham, B40 1NT
Objectives:
With school funding under huge pressure and strong accountability in place, it is now more vital than ever to maximise the potential of your Pupil Premium Grant.

Join a range of innovative schools, pioneering headteachers, senior leaders, teachers and Pupil Premium specialists to discuss practical Pupil Premium strategies to help you deliver high-quality teaching, identify and break down barriers to learning both in and out of the classroom, implement effective interventions, close the vocabulary gap, improve your planning, delivery, monitoring and evaluation – and ultimately raise attainment for Pupil Premium and disadvantaged students.

This one-day conference will provide you with:
• A keynote session focused on how schools can place effective CPD at the heart of Pupil Premium work – raising the quality of teaching to raise outcomes.
• A keynote session looking at how schools can create the right culture for Pupil Premium success whereby teachers are freed to innovate and students are motivated to learn.
• Dedicated primary and secondary sessions offering practical phase-specific case studies, interventions, strategies and advice.
• A focus on Pupil Premium Plus, including looked after children and catering for their needs in the school setting.
• A focus on identifying and understanding the complex needs of children and families and advice on overcoming these.
• An opportunity to hear and explore the latest information and advice on Pupil Premium best practice including phase-specific school-based case studies of good and developing practice.
• Advice for both primary and secondary schools on the literacy and vocabulary gap – a key barrier to Pupil Premium success – and how we can close this and support good literacy education.
• Interactive workshops with Pupil Premium students from both primary and secondary schools, who can discuss, with their teachers, their own experiences and what has worked for them.
• A forum to meet, network and share ideas with colleagues from other schools.
